Total for year ending March 1, 1899—2,194 books.

The library has been well patronized during the past year. We have been assisted in the selection of our books by trained librarians, and think we have as good a collection as can be found in any library of its size. We have been remembered by kind friends, receiving \$5 from Supt. R. B. Smith, also books, magazines, and pamphlets from other friends. We wish to return our thanks for these gifts, and assure the donors that they are fully appreciated by the patrons of the library. A new library building is very much needed, and would be an honor to our town.

JENNIE B. ABBOTT,
Librarian.

REPORT OF TRUANT OFFICER.

*To the Members of the School Board of the Town of
Hooksett, N. H.:*

Your truant officer for this town respectfully submits
the following report:

The enumeration of children in the town was:

Females,	154
Males,	150
	<hr/>
Total,	304
Children not attending school, five years old,	6
Children working,	7
Children attending somewhere,	291
	<hr/>
Total,	304

Since April, 1898, there has been no increase in the
number of children. I made during the year 30 visits.
I find in going over the town that the parents are more
to blame than the children in not regular attendance.
With many thanks to the school board and teachers for
their kindness, I remain,

Yours respectfully,

JAMES B. ORDWAY,
Truant Officer.

REMARKS.

To the Voters in the School District of Hooksett, N.H. :

At No. 1, Head district, Ellen E. Hobbs taught the entire year.

At No. 2, Martin's Corner, R. H. Woodeson taught the entire year.

At No. 3, Rowe's Corner, Annie Boutwell taught the entire year.

At No. 4, Manchester road, David B. Bartlett taught the entire year.

At No. 5, Neil district, G. F. Farley taught the entire year.

At No. 6, Village school, Georgia Batchelder and Jennie B. Abbott taught the entire year.

At No. 7, Hackett Hill, Minnie L. Cary taught the spring term, and Stella R. Merrill the fall and winter terms.

At No. 8, River road, Etta M. Shirley taught the entire year.

At No. 9, Village school, Annie Hebert taught the entire year.

The same teachers, with but one exception in the schools, have taught the entire school year, which we think a great advantage, and more work done thereby. The improvement has been quite marked in each and every school, and general satisfaction expressed. We are striving to keep in touch with schools in up to date places, so far as possible.

There is on hand of new books and supplies about \$100.
